

Car Collage

Activity 1

Objectives: To encourage creativity and artistic expression and enhance fine motor skills through cutting, gluing, and arranging materials.

Key Learning Areas: Creative Expression, Fine Motor Skills, Visual Arts

Materials: Various art materials such as colored paper, scissors, glue, and car-themed stickers.

Instructions:

1. Provide your child with various art materials such as colored paper, scissors, glue, and car-themed stickers.
2. Invite your child to create a car collage using the materials. They can cut out car shapes from the colored paper, arrange and glue them onto a larger sheet of paper, and decorate the collage with stickers.
3. Encourage your child to use their imagination and make their car collage unique and colorful.
4. Display the completed collages in a designated area to showcase your child's creativity.

Car Puppet Show

Activity 2

Objectives: To foster storytelling skills and creativity and promote social and emotional development through role-playing.

Key Learning Areas: Creative Expression, Storytelling, Social and Emotional Development

Materials: Craft materials like paper bags, craft sticks, crayons etc

Instructions:

1. Help your child create car puppets using paper bags or craft sticks and colored paper.
2. Assist your child in designing and decorating the puppets to resemble different car characters.
3. Encourage your child to come up with a simple story or scenario involving the car characters.
4. Help your child create a mini stage using a box or a table, and set up the scene for the puppet show.
5. Encourage your child to perform the puppet show, narrating the story and moving the car puppets accordingly.
6. Applaud and appreciate your child's efforts and creativity after the puppet show.

Car Themed Painting

Activity 3

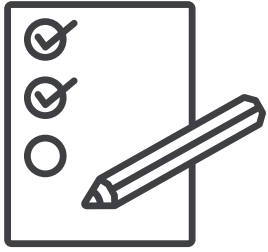

Objectives: To explore colors, shapes, and textures through painting and develop fine motor skills and creativity.

Key Learning Areas: Creative Expression, Fine Motor Skills, Colors and Shapes.

Materials: Drawing paper, paint, brushes

Instructions:

1. Set up a painting area with paints, brushes, and large sheets of paper.
2. Encourage your child to paint car-themed pictures using different colors and shapes. They can paint cars, roads, traffic signs, or any car-related elements.
3. Encourage experimentation with different painting techniques such as finger painting, sponge painting, or using different brush strokes.
4. Allow your child to explore mixing colors and creating different textures on their paintings.
5. Display and appreciate your child's artwork by creating a mini art gallery in your home.

CARS CREATIVE ACTIVITIES

Recap Checklist

Discuss with your child the following points

Activity 1: Car Collage

- What materials did you use to create your car collage?
- Describe the colors and shapes you used in your collage.
- How did it feel to create your own car collage?

Activity 2: Car Puppet Show

- Who were the car characters in your puppet show?
- What was the story or scenario you created for the puppet show?
- How did it feel to perform the puppet show and bring the car characters to life?

Activity 3: Car Themed Painting

- What did you paint in your car-themed painting?
- Describe the colors and textures you used in your painting.
- How did it feel to express yourself through painting and explore different painting techniques?
